Dear Irv:

I am writing once again to ask for information as to how to obtain, for one or two time showing, a 16 mm. film of your "Misunderstanding China." I know you've sent me this information before, but my files are such that I can't locate it.

We are putting on a large, eight-day summer program, in August, for Stanford alumni, devoted entirely to China. Your program is something we definitely want them to see, as early as possible, since it goes to issues of attitude and image.

It would be most convenient if this information could be sent not to me but to the person in charge of logistics and administration for this summer alumni program:

Ms. Linda Dondero

With many thanks and best wishes.

Sincerely yours,

Van
